

JAIN VIDYA MANDIR SR. SEC. SCHOOL , SONIPAT
ANNUAL CALANDER (2023)
CLASS-3

Subject - Computer						
Month	Topic	Weeks	Sub- topics	Medhodolog y	Activities	Instructions - Aids
April	Lesson - 1 Computer System	Week - 1	Types of Computer	Lecture cum demonstratio n	* Collect various pictures of different types of computer and paste it on A4 sheets	Chalk board , duster , Computer , Smart - class
		Week- 2	Working of a Computer	Lecture cum demonstratio n	* Use of IPO cycle giving example of Microwave	Chalk board , duster , Computer , Smart - class
		Week- 3	Parts of Computer	Lecture cum demonstratio n	* Collect various pictures of different types of computer and paste it on A4 sheets	Chalk board , duster , Computer , Smart - class
		Week- 4	Characteristics of Computer	Lecture cum demonstratio n	* Write five Characteristic s of Computer in yor notebook	Chalk board , duster , Computer , Smart - class

May	Lesson -2 Hardware and Software	Week - 1	Hardware	Explanation & Presentation method	*Paste picture of different parts of computer which you see in your lab.	Chalk board , duster , Computer , Smart - class
		Week- 2	Input Devices, Output Devices	Explanation & Presentation method	*Using the Keyboard, type five lines about yourself, on the computer	Chalk board , duster , Computer , Smart - class
		Week- 3	Storage Devices	Explanation & Presentation method	* Paste pictures of different parts of computer (UPS, CD and DVD, PenDrive on A4 sheet.	Chalk board , duster , Computer , Smart - class
		Week- 4	Software	Explanation & Presentation method	*Observe the computer in your computer lab and check for the different application softwares installed on it.Now, open	Chalk board , duster , Computer , Smart - class

					Wordpad and write one line each for these application softwares.	
June	SUMMER BREAK					
July	Lesson - 3 Introduction to Microsoft Windows 10	Week - 1	Windows 10	Explanation & Presentation method	* Make a chart for computer lab display versions of windows	Chalk board , duster , Computer , Smart - class
		Week- 2	Windows 10 Desktop	Explanation & Presentation method	* Make a chart for computer lab display versions of windows	Chalk board , duster , Computer , Smart - class
		Week- 3	Changing the position of Taskbar	Explanation & Presentation method	* Make a chart on Taskbar of computer	Chalk board , duster , Computer , Smart - class
		Week- 4	Gadgets	Explanation & Presentation method	* Draw picture of various Gadgets in your	Chalk board , duster , Computer , Smart - class

					notebook * Clock * Calendar	
August	Lesson - 4 Introduction to Microsoft Word 2016	Week - 1	Starting Microsoft Word 2016, Parts of the Microsoft Word Window	Lecture cum demonstration	* Write the name of different parts of Word Window in your notebook.	Chalk board , duster , Computer , Smart - class
		Week- 2	Creating a New Document, Saving a Document	Lecture cum demonstration	* Type any paragraph using MS-Word	Chalk board , duster , Computer , Smart - class
		Week- 3	Closing a Document, Printing a Document	Lecture cum demonstration	*Write five line on Myself in MS - Word. * Save the document with Your name. * Close the document	Chalk board , duster , Computer , Smart - class
		Week- 4	Selecting and Editing Text, Checking Spelling and Grammar	Lecture cum demonstration	* Make a list of class students in MS - Word using in MS-Word using Bullets or Numbered	Chalk board , duster , Computer , Smart - class

					list	
September	REVISION					
October	Lesson - 5 Formatting in MS Word	Week - 1	Changing Font Type, Applying Bold, Italic and Underline Effects	Lecture cum demonstratio n	* Type the names of different means of transport in MS- Word and Underline the heading.	Chalk board , duster , Computer , Smart - class
		Week- 2	Changing Text Colour	Lecture cum demonstratio n	* Open a new document * Write a letter to your friend for his/her birthday by using different font colour.	Chalk board , duster , Computer , Smart - class
		Week- 3	Changing Text Case, Changing Text Alignment	Lecture cum demonstratio n	* Type two lines on Myself and Change the title to uppercase.	Chalk board , duster , Computer , Smart - class

		Week- 4	Bullets and Numbering	Lecture cum demonstration	*Lab activity: Designing Tables Lab activity: open MS Word apply header as "JVM Sr. Sec School", divide the page into two column Set line spacing make it bold, underline, page size should be 18, press enter.	Chalk board , duster , Computer , Smart - class
November	Lesson - 6 Introduction to Scratch	Week - 1	Starting Scratch, Components of a Scratch Window	Lecture cum demonstration	* Write different components of Scratch window in your notebook.	Chalk board , duster , Computer , Smart - class
		Week- 2	Moving the Sprite, Adding Sound	Lecture cum demonstration	*Create a new project in scratch.	Chalk board , duster , Computer , Smart - class
		Week- 3	Repeating steps, Adding New Sprite, Creating a New Project	Lecture cum demonstration	*Lab activity- Create a project showing the use of –	Chalk board , duster , Computer , Smart - class

					Change sprite and using different motion block.	
		Week- 4	Saving a Project, Opening a Project	Lecture cum demonstration	*Create a project using the Looks block menu and save it.	Chalk board , duster , Computer , Smart - class
December	Lesson - 7 Advance Features of MS Paint	Week - 1	Color picker tool, Shapes	Explanation & Presentation method	* Open Microsoft Paint on Your Computer. * Make different smileys and colour it.	Chalk board , duster , Computer , Smart - class
		Week- 2	Magnifier Tool	Explanation & Presentation method	* Use various tools of Paint window.	Chalk board , duster , Computer , Smart - class
		Week- 3	Image Group, Resize and Skew	Explanation & Presentation method	* Make a drawing of cat on the Paint program and write 'I am a Cat' below the drawing.	Chalk board , duster , Computer , Smart - class
		Week- 4	Rotate and Flip	Explanation & Presentation method	* Draw a cartoon in MS - Paint	Chalk board , duster , Computer , Smart - class

					using various tools and rotate the image clockwise.	
January	Lesson - 8 More on Tux Paint	Week - 1	Stamp Tool	Lecture cum demonstration	* Draw any five Scratch blocks on a chart paper and fill colours in the blocks.	Chalk board , duster , Computer , Smart - class
		Week- 2	Magic Tool	Lecture cum demonstration		Chalk board , duster , Computer , Smart - class
		Week- 3	Creaing a Slideshow	Lecture cum demonstration	* Create a slide show by taking help of different scene on the	Chalk board , duster , Computer , Smart - class
					topic: "DIFFERENT TYPES OF PLANTS AND TREES"	
		Week- 4		Lecture cum demonstration		Chalk board , duster , Computer , Smart - class
